

Snow stylish

Skoody

Young designer Benjamin Shine has come up with the nifty little Skoody, a product designed to lessen the skier's burden. The Skoody is a three-in-one garment that, depending on how you fold it, can be a scarf, fleece or

hooded shower-proof, meaning you can cope with changes in the weather without packing clothes you might never need.

*Adult Skoody: £30 plus p&p,
Child Skoody: £25 plus p&p.
