## SKOODY DOO

If you like hiking, or any other winter outdoor activity, make sure you pack a Skoody. This three-in-one accessory may not be big on style but it's huge on practicality. It's a soft, lightweight fleece scarf that converts into a fleecy hooded top, which, when reversed, becomes shower-resistant. It's also adjustable and machine washable.

The Skoody is easily stored in a drawstring bag and is priced at £30. Call 0870 1120897. [www.skoody.co.uk](http://www.skoody.co.uk)
